UNITED STATES SENATE PUBLICATIONS

A number of depository librarians have responded to our query in volume 4, number 19 of AD NOTES; and, because of the great demand, we are here-with supplying the Senate Library's listing of publications arranged by Committee, and within each Committee, by number.

This is a cumulative listing of all Senate hearings, prints, and miscellaneous publications for the period January-December 1983. GPO staff have added the class stem for each Committee at the top of each page of hearings and prints. The GPO and Senate libraries hope that this listing will prove useful as a finding aid to depository library staffs and to the public.
